Institution: GMCA, Maninagar

Event Name: Open House

Student Co-ordinators: 25

INTRODUCTION:

On April 26, 2024, GMCA, Maninagar, organized an “Open House” event where final-year (Semester 4) students showcased their internship projects. This open exhibition allowed visitors to observe, learn, and interact with the projects. The event aimed to provide a platform for students to display their work and inspire others with their innovative solutions.

PROJECT DISPLAY AND JUDGING:

The projects were judged by three alumni of GMCA, who are now established professionals in the technical field:

- **Bhavya Shah** (Oracle)
- **Harsh Shah** (Ordex Technology)
- **Parth Bhadiyadra** (Arastu Systems Pvt. Ltd.)

The judges evaluated all projects and assigned rankings as follows:

1. **1st Place:** Unnati Sureshbhai Jajal and Amit Singh Tomar - Project Title: Assetsmingle
2. **2nd Place:** Dhruv Budhabhai Chauhan - Project Title: FiBLU Mobile App
3. **3rd Place:** Vishwajit Jentibhai Dabhi - Project Title: PCB sPOWER

ORGANIZATION:

The entire event, from decoration to management, was handled by student coordinators. Their dedication ensured the smooth flow of the exhibition and a successful event overall.

CONCLUSION:

The “Open House” event was a great success, providing a valuable platform for final-year students to display their technical skills and hard work. It also served as a learning opportunity for juniors and visitors, who gained insights into the world of internships and project development. The efforts of the student coordinators contributed significantly to the event’s success.
