Cyber Shield (A GMCA Cyber Club) had organized an expert session related to Introduction to cyber security & AI security on 5th March, 2026 at the institute for the students of, Government MCA College. The event was planned and executed by cyber club co-ordinator , Prof Nisha Chavda.

Learning Objectives:

- To be familiar with offensive and defensive security.
- To understand the basics if AI security.
- To understand road map to build career in cyber security.

Event description:

Cyber Shield is a cyber club of Government MCA College, Maninagar. Cyber club, in collaboration with CAWACH Kendra has arranged an expert session on “Cyber Security & AI Security”.

We have invited experts from Prodair Air Products India Pvt. Ltd.Vadodara. The expert was Mr Piyush Patel who has experience of more than 20 years in respective field and he has multiple high level certifications along with ISA/IEC 62443.

The program began on 5th March 2026 with the welcome of the invited expert, faculty members and students by Ms Nisha Chavda. Expert was welcomed with flower bouquet and memento from institute.

Then Mr Piyush Patel started the session with introduction to cyber security. He also gave insights to different roles of cyber security personnel. He also shared working of blue team and

red team in industry for offensive and defensive security. He also guided students with road map to build their career in cyber security field. He shared several details of several certification required to boost the career for the field of cyber security.

Lastly, question answer session was there where students got clear explanation of their doubts.

The session was concluded with a vote of thanks by Ms Nisha Chavda .Refreshment was served to all.
