The United Nation's theme for International Women's Day-2026 is "**Give To Gain**". When we give, we gain. Together, we can help to forge gender equality through abundant giving.

The IWD 2026 **Give To Gain** Campaign encourages a mindset of generosity and collaboration.

Give To Gain emphasizes the power of reciprocity and support. When people, organizations, and communities give generously, opportunities and support for women increase. Giving is not a subtraction, it's intentional multiplication. When women thrive, we all rise.

Whether through donations, knowledge, resources, infrastructure, visibility, advocacy, education, training, mentoring, or time, contributing to women's advancement helps create a more supportive and interconnected world.
